Do not consume alcohol during the course of treatment with the medicine.

1. WHAT IS THE MEDICINE INTENDED FOR?

The medicine is intended for short-term treatment of symptoms associated with anxiety and nervousness.

2. BEFORE USING THE MEDICINE

Alprazolam belongs to a group of drugs known as benzodiazepines. It is prescribed to help you sleep better, feel more relaxed, and generally feel better during the day when engaged in any activity that requires alertness.

3. HOW SHOULD YOU USE THE MEDICINE?

The medicine can be taken with or without food. Swallow the tablets whole. Do not chew them. The tablets are sustained-release, which means the medicine is released slowly and evenly to help maintain a steady level of the medicine in the body throughout the day.

4. SIDE EFFECTS

As with any medicine, use of Xanax® XR may cause side effects. Most of these side effects are short-term and temporary. You may not suffer from any of them. If you do, you should stop taking the medicine, wash your hands and consult your doctor.

5. WHAT IS THE MEDICINE LOOKING LIKE AND THE CONTENTS OF THE PACKAGE?

Xanax® XR 0.5 mg: light green, round tablet with "P&U 31" imprinted on one side.
Xanax® XR 1 mg: light blue, round tablet with "P&U 32" imprinted on one side.
Xanax® XR 2 mg: light blue, round tablet with "P&U 33" imprinted on one side.

6. PATIENT PACKAGE INSERT IN ACCORDANCE WITH THE REGISTRATION NUMBER OF THE MEDICINE IN THE NATIONAL DRUG REGISTRY

This leaflet was checked and approved by the Ministry of Health and Social Affairs and the National Drug Registry. Registration number of the medicine in the National Drug Registry: XANAX® XR 0.5 mg: 110.51.28806.21. Store at a temperature of 15°C-25°C.

7. WHAT ELSE SHOULD YOU KNOW?

This medicine has been prescribed for you. Do not pass it on to others. It may harm them even if it seems to you that their medical condition is similar to yours. Use of this medicine may impair alertness and therefore requires extreme caution when driving or operating dangerous machinery.

8. IMPORTANT INFORMATION

This medicine is available only with a prescription. If you have any questions about this medicine, blood, urine and liver function tests should be taken before starting treatment.

9. PATIENT PACKAGE INSERT IN ACCORDANCE WITH THE REGISTRATION NUMBER OF THE MEDICINE IN THE NATIONAL DRUG REGISTRY
